(a) **Procedure to Elect Officer Bearers to the Bute and Cowal Community**

## Planning

6.

### Colglen Community Council

The newly appointed Vice-Chair of the Colglen Community Council, Charles Dixon-Spain, updated the Group on the activities of the Community Council which included having successfully received £31,000 via two rounds of funding which would help to cover the cost of mileage for volunteers involved with prescription and food delivery associated with their resilience work. However, their box delivery budget had been curtailed to around 18 boxes per week which was proving to be problematic as they were finding more people were coming forward asking for help. Another part of the funding received was for an open air space for the community to access during restrictions which was at the planning stage. Mr Dixon-Spain stated that the number of volunteers was a great help and very welcome especially for prescription runs though if more households find themselves in need of this service as a result of the pandemic the Community Council may need to seek further funding.

### Dunoon Community Council

Willie Lynch stated that third sector organisation and resilience and befriending groups were covering any resilience work needed in the Dunoon area.

### Bute Community Council

Robert MacIntyre stated that he felt people were largely adhering to the social distancing restrictions and there was a noticeable increase in people walking more to keep fit.

Discussion focused on the increase in uptake in click and collect and online deliveries with local retailers as well as supermarkets had a positive impact on the community though there was some evidence that supermarkets were experiencing stock issues.

At this point Councillor Jim Findlay left to attend another meeting

### **(g) Opportunity for general updates from Area Community Planning Group Partners**

#### Police Scotland

PC Laura Evans advised the Group of her work with the Cared for at Home network which was established through partnership working with the council and TSI to help raise awareness of fraud and bogus crimes. These types of crimes have doubled this year and a lot are in relation to scam emails as more people are at home and more isolated and vulnerable and therefore an easy target. Information is shared via social media but there is a need to look at how to get this to older people. Police Scotland are sharing alerts with Neighbourhood Watch Scotland who then decimate the information to community councils, who in turn can pass this to care home staff to pass to their clients when speaking to them face to face. PC Evans stressed that the aim of the project was to raise awareness and not to cause panic and was happy to pass on the information for circulation to the wider group.

#### Bute Community Council

Robert MacIntyre advised that there is only one boat sailing in and out of Rothesay and there is a possibility of the Colintrave/Rhubodach sailing being reduced to an hourly sailing.

**7.**

The Group gave consideration to the latest Covid-19 stay at home guidance.

**Decision**

**12.**

The Group noted that the next meeting of the Bute and Cowal Area Community Planning Gro
