The only exception to this was in H&L, which is in reasonable travel distance from the central belt. Even so, only limited enforcement was carried out in this area. Within H&L, Luss and both Arrochar off street car parks were closed. FQ2 saw an uptick in traffic figures, with visitor numbers increasing particularly in both Luss and Arrochar. Due to the visitor number in these villages and as a result of the TTRO in place in Luss, additional resource from was directed to H&L to assist. As a result, the number of PCNs issued in H&L was up circa 380% compared to FQ2 2019/20. Although the other areas are down compared to the same quarter in 2020/21, overall PCN numbers are up.
