1. EXECUTIVE SUMMARY

The IJB receive the Annual Performance Report for the HSCP each year covering the previous years performance allowing comparison to previous years. There have been three Annual Performance Reports, covering 2016/17, 2017/18, 2018/19 however the 2019/20 report publication was initially postponed due to the pandemic and a condensed report was considered.

The required content of the report is set out in The Public Bodies (Joint Working)

From October 2020 onward the focus for the HSCP was on commencing remobilisation and recovery of service provision in NHS and social care within a Covid19 environment. A return to performance reporting to the Integration Joint Board, was therefore with this focus and continued for the rest of the 2020/21 year.
