3	Gareloch Ridingforthe Disabled	L second carriage drivingpony Isaac.	£2,500.00	For our participantsparticularly those who are restricted in their mobility or do not have opportunities to take part in any form of sport, driving or being driven outdoors is thrilling. Two of our carriages have been specially designed and built to accommodate wheel chairs when needed. Some of our participants are able to take the reinsthemselves which means that they can not only take control of the pony and carriage, but they can work towards RDA competitions that require skill and bravery. This builds self - esteem and self-satisfaction.	3
4	Garelochhead Station Trust	A drop-in facility for veterans and their families to access information and take part in activities. The project aims to reduce social isolation, improve health and wellbeing, and signpost to relevant support. Fundingis towards the rent of an office space as a drop in facility, provision of office supplies and transportation for group members to educational and social activities.	£2,460.00	Covid 19 pandemichashad a significant impact on the service delivery. This called for more innovative and constructive service delivery. A significant part of this redesign was working in partnership with ArgyII & Bute Co33(c)24(t 1412.85 184.72 311.52 188.5 r349.05 9(,)

6	Helensburgh and District Access Trust	Upgradinga network of footpath surfaces, dearing ditches, culverts and overgrowing vegetation and the installation and repair of bridges and culverts.	£1,771.07	A large stretch of the Reservoir footpath which suffered from numerous patches of severe wear and tear with underlying terrain matting exposed, and areas of mud, was completely covered with new surface material. On the Upland Way footpath the sections which suffered from areas of water lying and muddy areas were infilled. Both paths can now be walked safely all year round without having to cope with areas of water and mud on the path. They are also suitable for joggers and mountain bikers.	100
