7.0 NEXT STEPS

7.1 The intention is to undertake interviews with the 2 preferred candidates, supported by our commercial consultants Avison Young, to crystallise their proposals and work towards concluding terms for the development of the site to deliver the best economic position for the council. This will be the subject of a future report to the area committee and thereafter the Policy & Resources Committee for approval.

7.2 As agreed at the area committee on 12th December 2023, officers have commenced further investigations into the option of developing a new skatepark at Kidston Park.

8.0 CONCLUSIONS

8.1 The two-stage marketing of the site has generated a strong level of interest and it is important to make the most of this interest as the development market is challenging at present.

8.2 Concerns around the impact of retail / commercial development of the site have been addressed by a retail study, which was completed in January 2024.

9. IMPLICATIONS

9.1 Policy – None.
