

ROADS AND INFRASTRUCTURE SERVICES UPDATE

1.0 INTRODUCTION

- 1.1 A Roads and Infrastructure standing report was a fixture on Area Committee agendas throughout the life of the last Council. In the first two rounds of Area Committee meetings in the new Council feedback was sought on the value of these updates, and their format and frequency. Generally Members felt having a standard item was beneficial and it was acknowledged that the Roads and Infrastructure weekly briefings issued to all members each Friday afternoon provide for the main sources of live information on current activities. On top of these briefings there is a bank of resources on the new Member Zone system which include the weekly briefings, subject specific briefings, ad hoc short briefings on issues, relevant previous committee reports, operational service procedures, legislation and Council policies.
- 1.2 In the last Council the purpose of these reports was to provide an update on service activities but since weekly briefings these have largely superseded the original stated purpose of these reports.
- 1.3 On the basis of the above this new format has been agreed through the December 2022 round of area committees for this standing item. This format removes duplication for Officers and rather links to existing published information, with additional updates only in the body of the reports if these are specifically requested/noted from previous meetings. The report remains as a standing item and continues to p

- 3.2 As part of the resources on the new Member Zone system there are various key documents available in an online library [here](#).
- 3.3 There are also additional online resources covering the streetlighting, footway, surface dressing and roads reconstruction programmes available on the website [here](#).
