

ARRISHAIG PUBLIC REALM & WATERFRONT

Ardrishaig is seeing welcome investment: the Egg Shed has been given a new lease of life, and the public halls are being upgraded. What next?

This website is about proposed improvements in the centre of Ardrishaig: to the John Smith Memorial Garden, the north car park between Chalmers Street and the Loch, easier crossing of the Harbour and Egg Shed. The aims are to make the area more attractive, safer for walking and cycling, and better for business. The proposals have been awarded funding from the Council's Tarbert and Lochgilphead Regeneration Fund, Transport Scotland and Sustrans Scotland.

[Please click here for more information about the aims of the project and where the funding is coming from.](#)

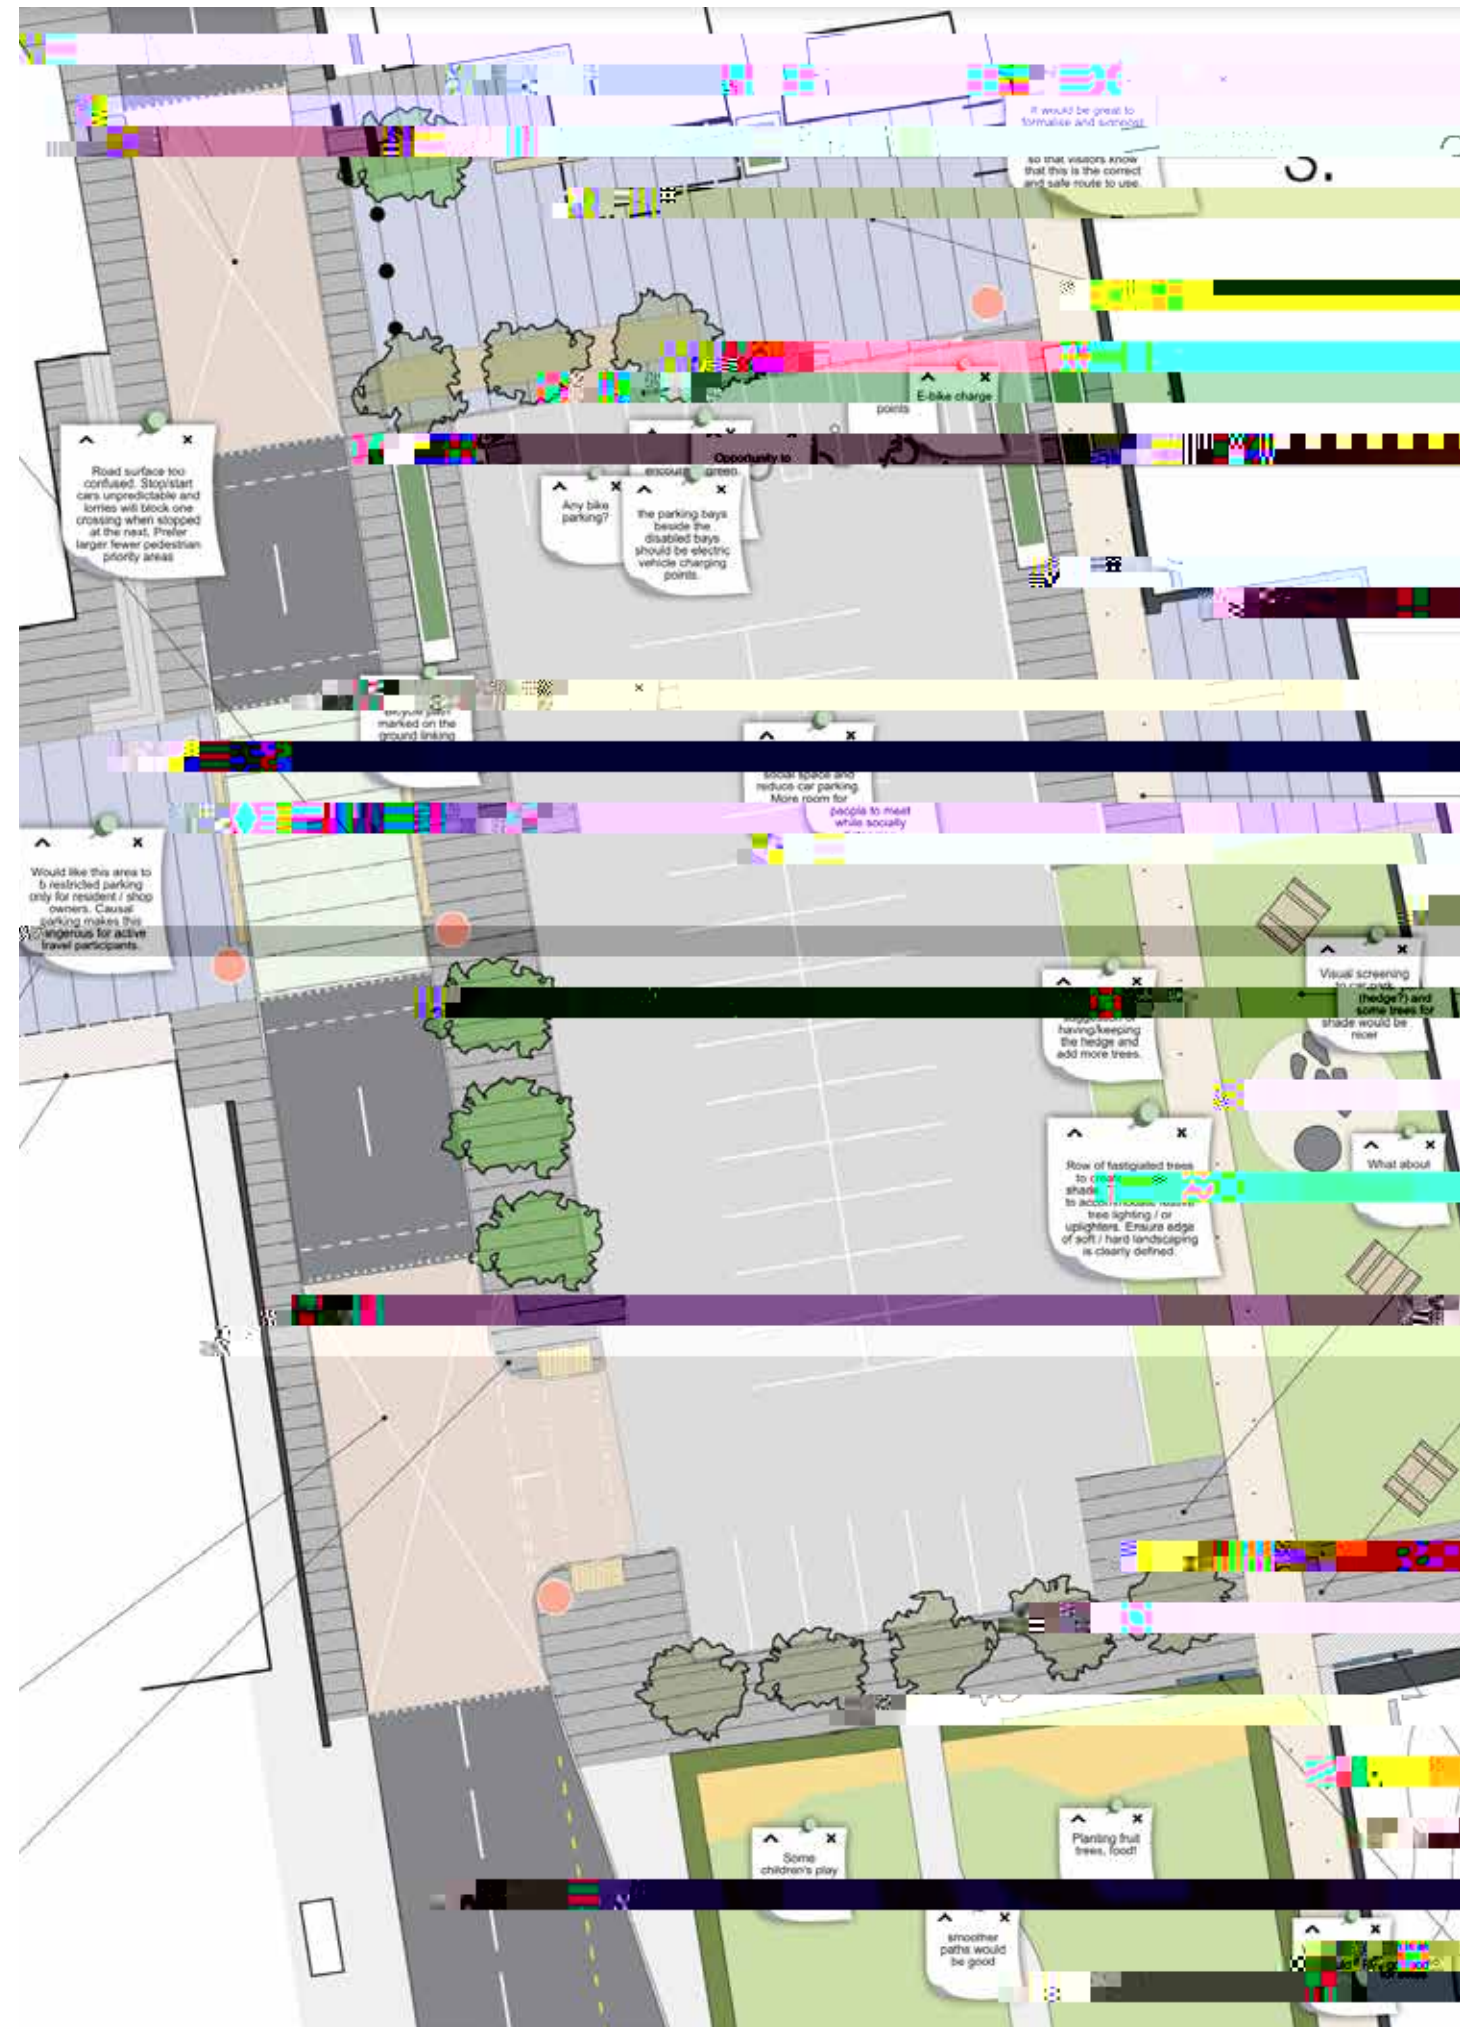

Coronavirus means that face-to-face public consultation events are not possible for the foreseeable future. We have developed this website to keep you informed and get your input on the design proposals.
